## REPORT OF THE LIBRARIAN

To the Board of Trustees of the Wolfeboro Town Library:

Gentlemen:

There has been little about the Wolfeboro library to attract the attention of the mere observer or the passer-by. The room within needs redecoration and some new furnishings. That it is over-crowded is apparent to all. Some authorities consider that equipment counts but 20 per cent. in the efficiency of a library, and so the work goes on just the same.

The department of general circulation seems of first importance, as touching the most people. The ages of patrons vary from 5 to 80 years. The field of service covers the entire town, and to some extent the border towns as well. This largely through students who commute. During the summer months, free service is given to summer residents, and it is not uncommon for patrons to come a distance of ten or fifteen miles for material for summer courses of study, and for general reading. Thus the library does full work during the vacation season.

For a country library the reference department is good, particularly in its file of magazines. This serves not only adult patrons but also the Town and Brewster schools. An assistant must always be on hand at the close of the afternoon session of the schools to assist the young people in their work.

During the past year, the library has emerged somewhat from the period of depression which has affected most public libraries, and is approaching a normalcy in circulation.

\* Twenty-four thousand, two hundred and nine

---

\* Figures include work of both Town and Brewster libraries.

books have been loaned during the year of these classes, fiction 13,568, non-fiction 5,667, children's books 4,974. Number of books added to the library 358.

The report of money taken at the desk is as follows:

The above figures show that patrons have been generous with the library during the year.

The attention of the "mere observer and the passer-by" will in the future be attracted by the two new library signs of a colonial type, and of fine workmanship. These were planned and given by Mrs. Philip Smith of Tuftonboro and Washington, D. C.

A year ago, Mrs. Alice B. Hersey resigned as a member of the Board of Trustees, and Mrs. Edith L. Clark was elected to fill the vacancy. A word of special appreciation is due Mrs. Hersey, for her long service to the library.

The librarian would express her appreciation of the many who are giving the library a strong support. She would also thank her assistants who are always ready to give extra help as needed, and the Trustees for their sympathetic cooperation.

Respectfully submitted,

ELIZABETH BREWSTER,

Librarian.

### PUBLIC HEALTH NURSING SERVICE

To the Selectmen of the Town of Wolfeboro, N. H.

I hereby submit a financial report of Wolfeboro Chapter, American Red Cross, from February 1st, 1936 to February 1st, 1937.

#### RECEIPTS

Cash on hand February 1, 1936,	\$373 55

	<hr/>
	\$3,103 24

From the above figures, it would seem that Wolfeboro Chapter is, indeed, a "going concern." The "human interest" part of this report is somewhat as follows: Our nurse made—

Prenatal visits,	80
Deliveries,	12
Postpartum,	62
New-born,	73
Morbidity,	746
Health supervision (infant welfare, pre-school, and social service),	974
Total calls,	1,947

Also many contacts not classified as calls.

The Chapter conducted a class in First Aid and Life Saving during the late fall and winter, and 15 men received certificates as qualified "First-Aiders." This class was made possible through the cheerful co-operation of Drs. Clow, Dye, and Wheeler, who acted as instructors.

In June the Chapter sent Harry Sargent, our beach guard, to the Red Cross Aquatic School at South Hanson, Mass., for intensive training. He returned a qualified swimming examiner and "lay instructor" in First Aid. Many pleasant things have been said about his work at "Sandy" Beach.

On the Fourth of July, our Red Cross car was entered in the street parade, and received honorable mention. On that day, too a First Aid Station was kept open all day in the basement of "The Durgin," and manned by qualified "First Aiders."

Last spring the nurse conducted a Pre-Natal class, which was attended by 6 mothers.

From October 20 to January 5th the nurse conducted a class in Home Hygiene and Care of the Sick, and thirteen young women received their certificates at the termination of the course.

At Christmas the Chapter sponsored its usual Christmas celebration for our less fortunate children. As heretofore, our nurse furnished the list, and the boys and girls of the DeMolay and Rainbow attended to the wrapping and distribution, under Mrs. Hart's capable supervision. The Chapter also made its usual contribution toward the Community Christmas Baskets for the unfortunates and shut-ins.

In January our nurse, Mrs. Dorothy Bourgoïn, presented her resignation, to take effect February 1st. She was a worthy successor of our beloved Mrs. Patten, and her resignation was accepted only with sincere regret. We were fortunate indeed to secure Miss Virginia Marr, well and favorably known to many in the community, and she took over the service on February 1st. She has the training, tactful sympathy, and personality so necessary in such a position, and we bespeak for her the same loyalty and cooperation always extended to her predecessors.

At the Roll Call in November, a membership of approximately 400 was attained, which gratifying result was due in no small measure to the efficient work of our Roll Call chairman, Howard C. Avery, ably assisted by a conscientious corps of canvassers. It is hoped that, in the future, even more of our people will care to share in this worthwhile service.

Twice within a year, the Chapter has had to solicit funds for flood relief, and twice the public has responded most generously.

We want again to acknowledge the hearty support of our physicians and the selectmen, as well as that of the community in general. It is only by such loyalty that a successful nursing service can be maintained.

Respectfully submitted,

ALMA C. TRICKEY,

Treasurer.

### HEALTH OFFICER'S REPORT

To the Honorable Board of Selectmen of Wolfeboro,  
N. H.:

Gentlemen:

Wolfeboro has had a very healthful year. But two cases of measles, and two cases of pertussis have been reported during the year. At the time this is written it would appear that more cases of whooping cough are to be expected.

Routine examination of the municipal water supply has shown no change from the good condition of Beech Pond. Samples of milk have been examined at intervals, the results still showing that the product sold in our town is clean and of standard quality.

The pupils of our schools have been examined, both at Brewster Academy and in the public schools. It is difficult to estimate the amount of corrective work done, but the dentist and physicians of the community are ready and willing to aid, and they do accomplish much, with the aid of the school nurse, the Red Cross nurse and the Huggins Hospital. During the coming year an intensive campaign for immunization of all school and pre-school children is planned.

The staff of the Huggins Hospital meets each month for a discussion of hospital and medical progress. Each time a survey is made of the previous month's work. New methods of diagnosis and treatment are adopted as soon as their value is proved. Dr. Ralph Miller of Dartmouth Medical School, Pathologist to the hospital is present at each meeting for the discussion of autopsies and newer laboratory aids.

The hospital has met the standards of the American College of Surgeons for approved hospitals, and

after a period of probation will be granted the certificate of this exacting organization.

Gratefully yours,

FRED E. CLOW, M.D.,

January 20, 1937.

Health Officer.

### AUDITORS' CERTIFICATE

---

We hereby certify that we have examined the accounts of the Selectmen, Tax Collector, Town Clerk, Town Treasurer, Highway Agent, Trustees of Trust Funds, Town Library Treasurer, Collector of Water Rentals, Acting Justice of Municipal Court, and Forest Fire Warden, have compared their several accounts, vouchers, and bank statements of funds on deposit and find these accounts in agreement, and believe these reports to be a true account of the conduct of the Town business for the year ending January 31, 1937.

ORMAN T. HEADLEY,  
GEORGE E. THOMPSON,  
Auditors of the Town of Wolfeboro.

## REPORT OF BUDGET COMMITTEE

---

To the Legal Voters of the Town of Wolfeboro:

In pursuance with your vote at the Town Meeting, March 12, 1935, the Moderator appointed a Budget Committee, which Committee acting in compliance with Chapter 9 of the 1935 Laws of the State of New Hampshire, hereby has the honor to submit the following report: and Budget for the Town of Wolfeboro, N. H., for the fiscal year ending January 31, 1938.

### Public Hearing

The Budget Committee held a public hearing on February 5, 1937, at the Town Hall, notice of said hearing having been duly posted on January 29, 1937, in accordance with the law. Also, notice of said hearing appeared in the Granite State News.

### Clerk of the Selectmen

The steady growth of town departments, the increase in the relief loads, and the details connected with town cooperation in Federal projects, all have added to the volume and complexities of our town business, especially in keeping accurate records and accounts. During the past five years our town has been fortunate in having as Selectman, Ralph S. Parker, who has generously devoted his time in the town's service and, as Clerk of the Board, has kept a model set of books. Since the resignation of Mr. Parker becomes effective March 9, 1937, and it becomes more and more difficult to elect a successor with the qualifications of, and the time for, the work of bookkeeping, the Budget Committee, in consultation with the Selectmen, recommend that the Selectmen employ an experienced, full-time Clerk-Bookkeeper whose duties shall be: 1. Keeping all town records and accounts including the books of the Water Department (but not of the Precinct and

School District) ; 2. Keeping the Selectmen's office open and accessible to the public during the working hours of every day; and 3. Attending to such other business as the Selectmen may direct.

As employment of the full-time Clerk-Bookkeeper will shift certain duties from the Selectmen and the Superintendent of the Water Department, the Budget Committee has reduced the allotments for their annual remuneration as follows: Chairman of Selectmen from \$500 to \$400; Selectman serving as Clerk of the Board, discontinued (salary formerly \$200); Superintendent of the Water Department from \$1,200 to \$1,000. The total of these items makes a reduction of \$500. In the Budget, the sum allowed for the new Clerk-Bookkeeper is not to exceed \$1,000 which, subtracting the \$500 reduction as above, makes the net increase of \$500 for this important position.

### **School Budget**

The School Board has revised its financial statement and budget form to facilitate comparison between school years and to coincide, heading for heading, with the state system of bookkeeping.

The items in the school budget for the next fiscal year have been explained in detail to the Budget Committee by two members of the School Board, the Superintendent and the Principal of Carpenter School.

Attendance at Carpenter School has grown steadily so that now all classes but one are filled beyond their normal capacity both with respect to classroom space and with respect to effective unit size for one teacher. With further additional enrollments anticipated next year, Carpenter School will require an extra classroom and teacher. Accordingly, the school budget is higher for next year than for the current year.

Believing the requested school budget is reasonable, if we are to hold to the usual standards in our

schools, the Town Budget Committee, after careful consideration, unanimously approved the school budget of \$37,672\* which is to be submitted at the meeting of the School District.

### Water Department

The Water Department during 1936 employed expert accountants to revise their bookkeeping system and to audit all accounts. Expenditures of the department were well within budget allotments and collections, involving more than \$5,000 in over-due bills, exceeded the amount set as the goal for the year. The department is commended for this splendid showing.

The budget of the Water Department for 1937 shows a marked decrease in the regular operating requirements. However, \$3,300 will be needed for the following new construction: 1. Crescent Lake extension, \$200; 2. Extension of line to serve houses near the Wolfeboro Laundry \$1,000; 3. Installation of two-inch pipe to supplement the present inadequate supply on Wolfeboro Neck, \$1,800; 4. Two hydrants on Pine Hill Road, \$300.

In order to maintain the Water Department on a self-supporting basis, it is essential that the hydrant tax be restored as income during approximately the next four years until the old bonds are paid off. The hydrant tax is entered in the Town Budget as a charge against the Precinct. Submitted herewith is the operating budget for the Water Department.

---

\* Anticipated income of \$3,588 and cash balance of \$772 reduces sum to be raised to \$33,312.

### Band Concerts

Since there seems to be a declining interest in band concerts and there is a doubt in the minds of many citizens as to the wisdom of appropriating funds for this purpose, the Budget Committee has set up the sum

of \$400, all or part of which may be used, at the discretion of the Selectmen, for band concerts.

### **Refunding**

A year ago the Selectmen were authorized to refund the town debt under Chapter 48 of the Laws of 1935, but the terms of the law did not permit the issuance of refunding bonds. However, the Selectmen borrowed \$38,000 on a twelve-months' note at an interest rate of  $1\frac{3}{4}\%$ , with which they paid certain notes and bills (not including bonds, long-term notes and borrowings from trust funds).

A special bill has been introduced in the Legislature enabling the Town of Wolfeboro to refund its debt, gradually to pay off our floating debt and to return borrowings from trust funds. The town will be compelled to raise a small amount each year to apply on the principal of the debt. At the present time serial bonds can be sold at a very low rate of interest.

The Budget Committee, therefore, recommends that the Selectmen be ordered to refund outstanding notes and borrowings from trust funds under the authorization of the 1937 statutes.

### **Interest**

It is gratifying to note our interest charges during 1936 were reduced to \$2,857.86, as compared with \$5,190.22 in 1935. This was accomplished, as mentioned above, by borrowing on short-term notes at a much reduced rate of interest. It is estimated that in the year 1937, the interest charges will show a further reduction.

### **Special Requests**

The Budget Committee has considered carefully all special requests presented and has set up as recommendations the items submitted herewith under the heading of Special Appropriations.

In conclusion, the Budget Committee wishes to express appreciation for the whole-hearted cooperation it has received from all of the town officers. They have shown a keen interest in efficient spending through the budget system and have made every effort to reduce their budget allotments to the minimum consistent with proper functioning of their respective departments.

Respectfully submitted,

WOLFEBORO TOWN BUDGET COMMITTEE.

Harold H. Hart, Chairman.

A. Cooper Ballentine, Secretary.

Robert C. Brewster, J. Roscoe Clow, Roy W. Foster, J. Frank Goodwin, C. L. Jenness, Harry E. Libbey, John D. McHugh, Frederick E. Meader, W. H. Willey.
